

School Security Assessments

Schools today face a variety of security challenges including vandalism, violence, kidnapping, school shootings, drugs, alcohol, theft, bullying, and weapons in schools.

TSG has developed a school assessment methodology depicted below that evaluates these threats and recommends *practical and actionable* recommendations that reduce risk to acceptable levels.

The final assessment report is a “Security Business Plan” for the school complete with cost estimates and recommended implementation timelines.

Pricing per School

Grammar School: \$2,000 ea
 Middle School: \$3,500 ea
